

**ENVIRONMENTAL TOPIC FOR NOVEMBER 2022**

**LET'S CONSERVE OUR NATURAL RESOURCES**

**Note:**

- Report all water leaks from pipes and taps.
- Prevent oil spillages from entering storm water trenches by using drip trays and immediate removal of contaminated soil.
- Adhere to planned maintenance of equipment to avoid leaks.
- Rehabilitate old sites areas such as borrow pits, abandoned septic tanks etc.
- Reduce, reuse, and recycle waste.
