

SAFETY TOPIC FOR THE MONTH OF DECEMBER 2023

ROAD SAFETY TODAY

Important tips to consider for road safety:

- Plan your trip accordingly in advance.
- Get adequate rest before embarking on a journey.
- Always wear your seat belt
- Do a pre inspection on your vehicle.
- Speeding does not get you there fast.
- Pay attention to road signs.
- Do not text or call whilst driving.
- Always reduce your speed while driving in wet conditions as the braking distance increase.
- If the journey is long, take regular breaks of 15 minutes every 2 hours.
