HOW TO SAFELY CROSS THE ROAD AT THE BUS STOP POINTS

Important tips to consider when crossing the road after getting off the bus.

- After alighting from the bus, do not cross in front of it.
- Wait for the bus to go before crossing the road or cross the road from the back of the bus.
- Always look right, left then right again to ensure the road is clear before crossing the road.
- Cross the road at the pedestrian cross where possible.
