

**SAFETY TOPIC FOR THE MONTH OF OCTOBER 2022**

**ALWAYS MAINTAIN 3-POINT CONTACT WHEN ASCENDING & DESCENDING STAIRS**

**Unsafe Act-** Employee descending stairs holding tools with both hands

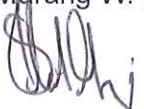

**Safe Act:** Employee adhering to the "Three Point Contact Rule" thus, tools on one hand & the other hand on the hand rail.

**Points to consider when descending and ascending stairs.**

- Do not rush and/or run during the use of stairs.
- Always be vigilant to avoid missing steps.
